## **Thought for July & August      An Armenian Orthodox Prayer**

Keep us in peace O Christ our God, under the protection of your holy and venerable cross; save us from our enemies visible and invisible and count us worthy to glorify you with thanksgiving O Christ with the Father and the Holy Spirit now and forever world without end.      Amen

## **St Augustine's Notices**

**CELEBRATION** Wednesday 16<sup>th</sup> September 2026.

Anne Heading will be sixty and would like to invite ALL to come to Kirkby Church Hall to celebrate any time between 3pm and 5pm. Just come along to enjoy meeting with others. May be cake around about 4pm?

**Childrens' Workshop** Wednesday August 12<sup>th</sup> 1.30- 3pm at St Augustine's Kirkby-in-Cleveland, in the Church. All children under 11 years are welcome. Please contact Anne Heading or Sarah Weyell if you are coming      [anneheading8@gmail.com](mailto:anneheading8@gmail.com)  
[sarah.weyell@zen.co.uk](mailto:sarah.weyell@zen.co.uk).

**Church and church hall path.** The path from the churchyard to the hall through the 'wilderness' has been cleared and we recommend the use of this path when accessing the church from the hall or even the church hall from the village. The path avoids the use of steps and also the problem of walking on the road which can be busy.

### **Generous Giving**

The church team continues to be most grateful to people giving time, effort & money to help maintain our village church. We do not receive income from the state or the Church of England, & increased essential operating costs, not least through inflation, now exceed income by about £40 each month. We are therefore launching our Generous Giving campaign this month with details set out in the enclosed leaflet. We hope that you will be able to respond positively to enable us to increase our resources & to ensure that our church life & work can continue for the benefit of all who live in our two villages. Practical support with the management & operation of the church is equally important, including a churchwarden & additional members of the PCC; please contact Anne Heading if you can help. Many thanks in advance from the church team!

## Christian Aid

Kirkby and Gt. Broughton Open Gardens June 14<sup>th</sup>

This was a very successful event, a wonderful day, beautiful gardens, lovely weather, & lots of visitors. Teas were served in the Village Hall for Village Hall funds. Total raised from tickets, donations & the plant stall was the magnificent sum of £1795.70. A huge thank you to the gardeners & all those involved in making the day so successful.

## Great Broughton & Kirby Sports Club

The tennis section is looking for players (new or old!!) to play in team matches which will start again next year (ladies, gents, mixed, veterans). Practice and coaching available for anyone wanting to get back into tennis. Please contact Susan on 07913 700004.

**Great & Little Broughton Parish Council** meeting 13<sup>th</sup> July. In June Councillors thanked the many residents who attended the meeting to discuss their concerns/support for proposals for yellow lines from North Yorkshire Council. It was agreed that the Parish Council would recommend to North Yorkshire Council to commence a consultation. Residents raised concerns again regarding the number of dogs being walked & health risks from fouling in the play park & field. Dogs are not allowed in the Play Park. Great and Little Broughton Parish Council

**Julie Brown** We are saddened to announce the death of Julie Brown. Many people will remember Julie with great affection from her years as village post lady. Her outstanding dedication to the role earned her a Community Award in the North East presented at a ceremony in London. Julie was widely regarded as a vital part of the local community. She was a friend to everyone & played an important role in helping to keep the village safe, keeping an eye on people's homes when they were away & looking out for the wellbeing of her neighbours. During her rounds, she took particular care to check on the sick & elderly, offering kindness & support wherever it was needed. She had a great love of animals & was passionate about fundraising & helping those grieving the loss of a beloved pet. Julie lived and worked in the village almost her entire life & will be fondly remembered for her warmth & generosity.

### Year 6 Residential

The main news from school is from the **Year 6s** who had a brilliant time on their **residential** & were absolute stars—a real pleasure to be around. They took part in a wide range of activities; however, they also found time to pause, think & reflect. Here are some of the Year 6 pupils' descriptions of the activities.

**Bodyboarding** : When we got to Cayton Bay, we unloaded the bodyboards & had a five- to ten-minute walk down to the beach where we would use them. When we reached the sand, we placed our boards on the ground so the instructors could show us the correct position. Just as we finished practising, Nikki told us to unstrap the wristbands that kept us attached to our boards and to line up. Suddenly, she shouted, “Run!” and we all ran into the cold, salty water for a temperature test. After playing in the water for a bit, we were called back to shore to get our boards and use them properly. When I was in the water, I was riding the waves like a pro—it was so fun! I waited and waited until I saw a massive wave in the distance. It rose behind me, and I rode it like a pro.

**Canoeing**: Canoeing was our next activity. We started at Ruswarp & practised before heading along the River Esk. As we travelled along the river, we spotted lots of interesting things, including a dead goat! When we reached the weir, it was blocked, so we carried our canoes across & slid down (Jill's wellie was swept away by someone's canoe!). Soon, we docked at “Lunch Island.” After lunch, we set off again & saw Highland cows, a shipwreck, and hundreds of seagulls flying in beautiful formations. The instructors (Nikki & Jill) threw balls into the water, & we played a game trying to throw them into each other's boats—we nearly tipped over trying to get one! As we continued towards Whitby, we passed a huge viaduct, which had once been sold for £1 but costs thousands each year to maintain. We went over rapids and finally reached Whitby Bay. My boat was the first to dock, & we were part of the small percentage of people who have travelled there by boat. We travelled around two miles in total, & it was so much fun.

**Beck Scrambling**: The next day, we went beck scrambling in a fast-flowing river called West Beck. On the minibus, we passed Goathland Station, which was used in Harry Potter! Because the water was icy cold and deep, we wore multiple layers, including long-sleeved tops, jumpers, leggings or tracksuit bottoms, & helmets. One of the hardest parts was squeezing through long, narrow spaces. As we entered the water, I felt shivers down my spine. The rocks were very slippery,

making it more difficult. Our instructor, Tom, told us, “If the rock is green, it’s mean,” because moss makes the rocks extra slippery—this really helped us. The most terrifying part was climbing up a tall boulder and sliding down into what felt like bottomless water. At first, I was unsure, but I pushed myself to do it. Afterwards, I found it great fun and would definitely do it again.

**The Griffs:** On Thursday, we challenged ourselves in the Griffs, climbing up & down muddy, V-shaped valleys. First, we walked down a steep, green field towards the Griffs. On the way to “Lunch Island,” we found a plant with three leaves, like a clover. Paul told us it was edible—and it tasted like sour apple peel! We continued along the damp, slippery ground, spotting woodlice & beetles. After eating our lovely lunch, we explored a shallow rocky stream where we found tiny grey shrimps. Then we continued exploring & came across a pile of bones. Shockingly, among them was a huge cow skull, as well as a sheep skull & other large bones!

**Evening Activities:** Each evening activity at Birch Hall was different. On the first night, we did an alien hunt, searching for hidden aliens around the site like a treasure hunt. On the second night, we completed the night line—a trail with obstacles such as tyres & tunnels, guided by a partner. On the third night, we went on a night walk, following a trail and finding numbered signs marked with a blue ammonite (the East Barnby symbol). The trail took us off-site, so we went with our teachers. On the final night, we had a campfire. We sang songs, roasted marshmallows, & played games. It was my favourite evening activity & a perfect way to end the trip.

**Finally... On reflection,** we all had an amazing time at Birch Hall with Mrs McCormick and Ms Ronsano. We learned how to work as a team, we built confidence, & overcame fears. Words cannot fully describe how fantastic the experience was—I will remember it for life.

**Wisdom of the Woods** From the oldest children to the youngest, everyone is enjoying being outdoors. This half term, Reception & Nursery have been exploring nature, & last week they made some amazing potions!

**Summer Fair and Colour Run** We are looking forward to our annual Summer Fair & Colour Run—it promises to be a fantastic afternoon for everyone.

**SIAMS (church school) inspection.** By the time you read this the school will have had our SIAMS (church school) inspection. We are sure that it will show how our children ‘shine like stars lighting up the sky’

**A big thank you to everyone who has volunteered and contributed to school life this year. Have a wonderful summer holiday and we look forward to welcoming you back in September.**
