Thought for June – A Prayer of St. Benedict

Almighty God, give us wisdom to perceive you, intelligence to understand you, diligence to seek you, patience to wait for you, vision to behold you, a heart to meditate upon you, a life to proclaim you through Jesus Christ our Lord who lives with you and the Holy Spirit, one God, now and forever.
Amen

Generous Giving The church team continues to be most grateful to people giving time, effort & money to help maintain our village church. We do not receive income from the state or from the Church of England, & increased essential operating costs, not least through inflation, now exceed income, last year by about £40 each month. We have decided to run a Generous Giving campaign, starting in July, in the hope that we can increase our resources & ensure that our church life & work can continue for the benefit of all who live in our two villages. More news next month!

Christian Aid

Many thanks to all who attended the Soup Lunch for

Christian Aid week. We had lots attending & the delicious home made soups received a lot of compliments. We raised £940.00 with some money still to come in. This was a remarkable amount to have raised & a testament to the generosity of our supporters in the villages. This year the money will help fund tools & training for families to learn how to farm food wherever they live.

Kirkby & Gt Broughton Open Gardens is our next event on June 14th 1-5pm run in conjunction with Gt Broughton village hall providing

Kirkby & Gt. Broughton School & Nursery

To keep in touch with what's happening in school our website -

Balance Bikes for our Early Years

Reception and Nursery had a fantastic time taking part in a balance bike session. The children were full of excitement as they developed their cycling skills in a fun & supportive determination and enthusiasm, with children encouraging one another celebrating each other's successes.

A Visit from Chicks

The younger children at school enjoyed a wonderful surprise when a group of newborn chicks came to visit. The children were incredibly excited and showed great care and gentleness as they observed and handled them. It was an excellent addition to the children's lifecycle work.

Walk or Wheel News

You may have noticed in the village that our children are now endeavouring to Walk or Wheel to School and some classes achieving 90%+ of children coming to school in this way – it is good for our health and the environment!

Shining Sport Stars

Children from Years 4 and 5 have been taking part in cluster cricket events over the past few weeks. They have really enjoyed developing new skills, working as a team, & showing great sportsmanship throughout. We are very proud of them. In other sporting news, our Year 6 pupils are really enjoying their tennis lessons at the Sport's Club.

SATs praise

Well done to the oldest children in our school who worked really hard last week in their SAT tests. They wrote persuasive letters to our Head Teacher, for an end of SATs treat. Following their hard work, they enjoyed a fun-filled Friday, doing sports, getting creative with their buddies and watching a film with some treats in the afternoon – well done Year 6! We are proud of you all!

Other News It is with mixed emotions that we share that Mrs Atkinson, our wonderful school cook, who has been part of Kirkby and Great Broughton School for 24 years, will be retiring in June! If you know anyone who would be interested in this role, please tell them to get in touch with the school.

Nursery Parents & their children Open Morning on Sat 4th July 11:00 – 12:00 to discover our nursery provision. Stay & play sessions can be booked 9:00-10:00 any Tues / Thurs in June or call us for a tour. We welcome children from 3 years old & we can provide wraparound care from 7:45am – 6:00pm.

Thank you for those people who are now volunteering in school & to those who have donated outdoor play items, we really appreciate it.

This is an ideal opportunity to get out in our beautiful village, meet other locals and keep our village tidy. If you are unable to make it we ask that all residents take some time to ensure that their local area is litter free.

Kirkby-in-Cleveland Parish Council - Spring Village Tidy Up Session

The Parish Council would like to thank all those who helped in any way on or around the weekend of the 16th May with weeding, tidying, litter-picking etc. in the public-facing areas of the village. Cold Calling

We have received reports there are cold callers in the area trying to sell cleaning products or carry out maintenance work without it being requested by the occupant. Cold callers who go door-to-door can be pushy & threatening. They may charge inflated prices or pretend to find more & more jobs. While cold calling itself is not an offence, North Yorkshire Police frequently investigate frauds, thefts & burglaries as a result of doorstep calls. We want residents to be aware of the risks & to know what to do. Don't make an immediate decision, it's OK to say 'no'. If you are suspicious of a cold caller please report it immediately by calling 101 – officers can & do attend such calls. Please do not invite cold callers into your home, they can be threatening or refuse to leave in which case call 999. If you have older parents, relatives or friends, please share this message with them & check they know how to stay safe.
