### Christian Aid

Many thanks to all who contributed to Christian Aid week by returning their donation envelopes. The soup lunch was a smaller than usual event this year but everyone who came thoroughly enjoyed the heartwarming soups on offer - and it was a chilly day.

We raised a wonderful sum of £945. The money this year will go to Guatemala where gruelling heatwaves, savage storms and unpredictable seasons threaten the lives and livelihoods of indigenous communities. With agricultural training they are learning to push back against the climate crisis to protect not only their farms but their futures.

Well done to everyone in the villages for their continued support.

### Kirkby and Great Broughton report on activities at school.

In our school, we have been busy learning, this has included:

In **reception and nursery**, the children have been looking at real tadpoles in a tank and their lifecycles.

Our lucky **year 1** children are taking part in Wisdom of the Woods on a Friday where they have been making natural paint.

The Great Fire of London has been a hot topic in **year 2**.

In **Y3 and 4** the children have been learning the recorder, and they are looking forward to performing to the school later this term.

We were lucky in **Y5** to have a visit from Mr and Mrs Milburn who work in audiology to help us with our sound topic in science.

Our **oldest children in school** are preparing for their SATs next week and we wish them lots of luck!

Last week the whole school took part in a **spirituality day**, where the children did 6 activities through the day whilst being thankful for the environment that God created, this included art, drama and singing.

The **drama club** also performed a super play 'The Pirates of the Curry Bean' under their director Mrs. Talkington.

Careers week, learning cricket and having a visitor to talk to us about Ramadan have also been recent highlights at school.

We are looking forward in the summer term to our leavers service and sports day!

The soon to be **Under 13 junior football team** are moving from 9 to 11-a-side next year and are therefore looking for new players...anyone interested please contact Ste at [cluckie1984@gmail.com](mailto:cluckie1984@gmail.com) The sports club is keen on attracting new **Junior football teams** to play friendly matches and potentially join the junior league.

Anyone interested please email [bksc1@outlook.com](mailto:bksc1@outlook.com).

Unfortunately the sports club continues to find **dog mess** on the playing surfaces.

I'm sure everyone would agree, players should not run the risk of their skin or clothing being covered in dog mess what playing sports. Furthermore although rare, there are also potential associated health risks which includes loss of vision. New signage will be put up in the following weeks clarifying **dog walking rules** and all members and guests are empowered to remind people to by abide them.

**Great and Little Broughton Parish Council** is pleased to report agreeing construction of a dedicated picnic and seating area extension to village play park.

Funded by the parish with a contribution from the North Yorkshire Council, it will provide a paved area with two bench-seated picnic tables situated on the currently grassed area to the left of the main gate. It is hoped that this work will commence within the next couple of months and will require temporary closure of the play park and field

The next meeting will be held on Mon 9<sup>th</sup> June, 7pm in the Village Hall.

**Volunteers** – Thanks To Lucy Lee for volunteering to deliver Broughton bundles to our 13 door to door deliverers whilst I'm incapacitated.

### Courier Fraud

There are many variations of this fraud. The scammer will phone the victim claiming to be someone official like a bank manager, police officer or law enforcement agent. The fraudsters aim to panic the victim by saying that something serious has happened e.g. fraudulent payment has been spotted on their card, or someone has stolen their identity. The victim is instructed to ring the number on the back of their bank card, or to phone the police to confirm that the call is genuine. However, when the victim hangs up, the scammer stays on the line, keeping the connection open. If the victim immediately does as instructed and makes the call, it is the scammer who replies then pretending to be the bank or police. He/she then elaborates on the alleged genuine issue.

The victim may be asked to disclose their PIN number and told that a courier will be sent to collect their card. Or they could be told there is a corrupt member of staff at their bank, Post office or bureau de change, and they needed help with an undercover investigation to identify that person.

They might be asked to withdraw large sums of money and hand it over to the courier. Some victims have purchased high value items and handed them over after being duped into believing that they are helping the police track down counterfeit goods. **Please remember**

The bank & police will NEVER ask for pin numbers; send couriers to collect bank cards; ask people to move money to another account; ask for help with investigations; or ask for cash or goods to be handed over.

These scams can be intimidating, so do not engage and just hang up.

To confirm the call is genuine, never ring back using a number given to you by the caller. Make the call from another phone or wait at least five minutes before making another call. This ensures the line is clear and cut off, so you will no longer be speaking to the scammer or an accomplice.

**Please remember that the only person that should have your card and pin-is YOU.**

There is further information available on the Action Fraud website. Remember, if a crime is in progress, please report it on 999.

### The Post Office Van

The PO van now visits on a Tuesday 11:05- 12:05 at The Wain stones Hotel or outside No 29 High St. The post office has cut the number of days from two to one per week as few people use it.

If more don't it is likely that we will lose it all together. Please encourage your friends and neighbours to 'use it or lose it'!
