GT Broughton Parish Council

MOLE CONTROL

Great and Little Broughton Parish Council are actively considering a variety of methods of mole control on the Sports field and near The Holme beck. Options considered are trapping, rodenticide and sonic repellers, but there are concerns on closing off areas, the use of some methods and of traps being removed.

This will be discussed and it is hoped that a decision can be made at the next meeting on Monday 10th March at 7pm in the Village hall.

The Parish Council were keen for all members of the community to give their views, either by email to broughtonparishcouncil@googlemail.com or by attending the meeting.

Upcoming meeting dates - 10th March, 14th April and 12th May.

The Post Office Van

The PO van now visits on a Tuesday 11:05- 12:05 at The Wain stones Hotel or outside No 29 High St. The post office has cut the number of days from two to one per week as few people use it. If more don't it is likely that we will lose it all together. Please encourage your friends and neighbours to 'use it or lose it'!
