Thought for September

The eye of the heart must be healed and all impurities within it cleaned out if we are to see God. As God humbled Himself by becoming flesh in the Incarnation we must humble ourselves by making ourselves available to God, by stripping away the distractions that obstruct us from loving Him.

St Augustine of Hippo (354-430)

Ralph Grierson

We are sad to announce the death of Ralph Grierson. The family came to Great Broughton in 1971 and he and Sarah have made it their home ever since.

For most of these 54 years he played an active part in village life; helping with the PTA at the primary school, bringing folk music to the village hall, supporting the entertainment society (ACES), working with other retirees to reconstruct all the **stiles** in both parishes and walking with other lovers of the local moors and dales.

Sarah, Daniel and Anna are very grateful for all the support shown by the village over the last three years and for all the cards and messages received in the last couple of weeks. Thank you Great Broughton and Kirkby.

**Living Streets**

**Have you seen the statistics on page 6?**

***Would anyone be interested in forming a Living Streets group in the villages?***

Formally the Pedestrian Society, **Living Streets** has 60 local groups across the UK all dedicated to making walking easier and safer for everyone everywhere.

I am particularly concerned with the dangers faced by rural walkers on country roads where there is often a 60mph speed limit for vehicles, blind bends and no footpaths. However, we also face many of the difficulties common in urban areas too, such as lack of crossings and dropped kerbs, overhanging hedges, or cars parked on pavements that force us into the road.

Whatever the difficulty you may face with walking in your daily life Living Streets is there to try and help. Locally run campaigns have improved day to day life for many people nation wide.

The organisation not only offers support with advice and guidance in setting up the group, campaigning, and regular meetings, but also with its day to day running. There is also material assistance in the form of grants, a customised logo , posters, tee shirts and badges etc.

Two co-ordinators are required to start the group and organise whatever events the group wishes to run. Walking groups are a common feature as are stalls at local events to spread the word and recruit new members.

### The Post Office Van

The PO van now visits on a Tuesday 11:05- 12:05 at The Wain stones Hotel or outside No 29 High St. The post office has cut the number of days from two to one per week as few people use it. If more don't it is likely that we will lose it all together. Please encourage your friends and neighbours to 'use it or lose it'!
